A New Concept in Commissioned Art

Ivan Berryman Fine Art is delighted to announce a new concept in commissioned art that is exclusive to this world renowned artist

This is an opportunity to take part in an ongoing scheme designed to help reduce the cost of commissioning a piece of bespoke artwork from Ivan Berryman

From 1st April 2014, any original painting commissioned at the minimum charge of £1,850 will be supplied with 50 A3-size limited edition prints, signed and numbered by the artist, absolutely FREE!

These prints, each one with a value of £40+ will be yours to sell or give away. If you sell all 50, you will have completely redeemed the cost of your painting and even made a small profit!
